

April 15-80

Meeting called to order at 7:45

Minutes of previous meeting were approved with.
Harold brought us up to date on the
salal water problem, and said he was
looking for someone to serve on the
Committee.

Harold wants to get a head count
of all people within the city, as of
April 1st to check with the ~~assessors~~ assessors.

It was suggested that the city put a
slip of paper in each water bill of the
residents of the city and ask them to put
the number of people in each resident on
the paper and return it with their bill.
Harold said they would try, so we
will see how this comes out, and
go from there.

Henry brought up that Ralph
Pendergraph wants water to his milk
barn. Henry said Ralph said that is
would cost a lot of money to run a
3 in. line 1/2 mile, & wanted to know if he
could put the meter on Albert Piogg's place
and go across the field with 1/2 in
line.
