

10-24-93

Met with Chester Burgo and his clients
Jim ~~Wagon~~ Morgan and discussed
the development of his property on the
corner South West of 6 & M. He plans to put
20 Pre-Fab. Homes on it, and leave 5 acres
on the North side of Plot. We approved
the ~~sketch~~ sketch he presented to us, so he
can go ahead and have his Preliminary
Plats drawn up, & will present them to us

Joe Ross
