

Meeting of Feb. 28, 1989

In attendance - Henry Proiza, Pete Bianalto, Earl Mussino, Joe Roso  
Andy Franco, Freddie Taddo + Harry Shanatto.

David Jorgensen of Jorgensen + associates brought a preliminary  
plat of the "Polar Express" Commercial sub-division.

C-900 or Ductile <sup>water</sup> pipe was recommended for use for  
the 6 inch pipe. Water will be run to the present building in lot 4.  
To be extended later.

The Bianalto plat, in regard to the flood plane in the  
area, a drainage ditch will be made to carry off the  
water rather than for it to spread out in a big area.

Anyone buying these lots will be instructed as to the proper  
elevations ~~that~~ for any building in the flood area.

Flood plane lots <sup>#13</sup> ~~#13~~ 14 and 21.

Approval of the preliminary <sup>plat</sup> was <sup>+ sent</sup> recommended to the  
City Council. (Polar Express Sub-Division)
