

RESOLUTION NO. 34

WHEREAS, The Arkansas State Highway Commission plans construction of modifications on the Highway 112 intersection, and

WHEREAS, construction will interfere with Tontitown's existing water distribution facilities in the vicinity, and

WHEREAS, the existing water distribution facilities will need to be relocated because of said modifications, and

WHEREAS, in order to determine the extent of said relocation of the water distribution facilities, to plan the work, and to prepare plans and specifications, it will be necessary that Tontitown retain a consulting engineer to perform these services, and

WHEREAS, Tontitown has caused to be prepared a Contract for Preliminary Engineering Services with McGoodwin, Williams and Yates, Inc., Consulting Engineers, with services to be performed and compensation paid set forth therein,

NOW THEREFORE BE IT RESOLVED by the Tontitown Town Council that the Mayor and Recorder are hereby authorized to execute the above mentioned contract to perform engineering services in connection with the relocation of water utilities required by the Highway 112 intersection modifications.

Passed and approved this 5 day of April, 1983.
