Thanked the Doudna family for all the hard work they have done to the park

Coke Company has volunteered to help with the city park starting with the benches and tables.

Spring cleanup April 9, 2016 7:00-12:00 at Waste Management

Lots of activities coming up

There have been complaints about the water bills- Due to software and server issues (not water personal). The city is requesting that we use a new billing company, it would be less expensive and time consuming. Should council approve, residents should receive their new bill by the next billing cycle.
