- Henry Piazza said the city is doing fine and a big thanks to the Mayor.
- Arthur Penzo said that the city should uphold the wrecker call list ordinance.
- Tommy Granata said we need to look into upgrading on the microphones, instead of the ones we are using.
- Don Doudna Thanked Firehouse Subs for the fire truck.
- Gene McCartney suggested that we look at some of the areas business signs to get an idea of what we are looking for.

10. Comments from Mayor

- Bocce Tournament is coming up in September and folks need to start signing up. P&J Wrecker and Perry Roofing will be sponsoring again this year. Also, if we have as many teams as last year we may have to start Friday evening. The car show and possible swap meet will also be there.
- We are looking into some equipment for the park, made possible by a grant the city received.
- Would like the council to think about compensating the city Street and Water/Sewer employees who are on call nights and weekends. Discuss at the next C.O.W. meeting.
