Subject: City Council meeting (4-5-16) agenda item: Approve new THM Board member

Hi, Paul and Lori~

We are happy to share the following good news, which we included in this week's THM COW report (3-15-16):

New Board Member - A motion passed at the recent THM Board meeting (3-7-16) to nominate Kyle Young to the Museum Board. Kyle is finishing his bachelors degree in History this year and plans to attend graduate school in a history field. He would like to someday be a museum curator. We welcome Kyle to the board pending approval by the City Council at the next scheduled meeting.

Kyle has attended a couple of Board meetings, is serving on our 30th Anniversary Planning Committee, and is excited to serve on our Board. He will be a great asset.

Please include the approval of Kyle Young's appointment as an agenda item for the April 5th City Council meeting.

Thank you!

~Bev
