We want employees to be aware of this policy and that the City does not allow deductions that violate the FLSA.

If you believe that an improper deduction has been made to your salary, you should immediately report this information to the department head in a written letter signed by the employee.

The City will pay overtime in accordance with the Fair Labor Standards Act at one and half times the base rate or hourly rate for all hours worked in excess of the hours per week set forth in the WORK HOURS section of this Handbook.

Overtime will be permitted only with prior approval of the department head prior to the commencement of such work or when absolutely necessary due to emergency conditions. ##### **2.03.2 PROHIBITED CONDUCT DEFINED**

Discrimination is any annoying, persistent act or actions that single out an employee, over that employee's objection to his or her detriment, because of a person's protected status, i.e., race, religion, creed, color, national origin, sex, marital status, age, genetics, status as a veteran or special disabled veteran, or the presence of any physical, mental or sensory handicap.

Discrimination or harassment can take many forms and can include slurs, comments, jokes, innuendoes, unwelcome compliments, pictures, cartoons, pranks or other verbal or physical conduct, including but not limited to the following actions:

+promotion, transfer or any other term or condition of employment;

- Stop the offending behavior.
- Restore the complainant's working environment.
- Take steps to prevent retaliation and repetition of the harassment.
- Educate, sanction, or discipline the harasser consistent with the seriousness of the offense.

It is every employee's and official's responsibility to ensure that his/her conduct does not include or imply harassment in any form. If, however, harassment or suspected harassment has or is taking place:

1. An employee must immediately report the harassment or suspected harassment, in writing, to the department head immediately. If the department head is the source of the alleged harassment, or is so closely associated with the source of the harassment that the employee does not feel comfortable reporting to that person, the employee may report the complaint to the Mayor or City Council. Employees should not wait to report the harassment or discrimination until the acts become so pervasive or offensive that they create a hostile working environment.
2. Any supervisor or department head who learns of or receives a complaint of harassment is obligated to report it to the Administrative Coordinator.
3. Each complaint shall be fully investigated and a determination of the facts and an appropriate response will be made on a case-by-case basis.

If it is determined that harassment has occurred, the City shall take appropriate corrective disciplinary action, which may include but not limited to, verbal and/or written warnings, probation, suspension, demotion and/or termination.

No employee shall be subject to any form of retaliation or discipline for pursuing a harassment complaint, and no witnesses shall suffer retaliation as a result of their involvement in the investigation. The City of Tontitown will not tolerate harassment or any form of retaliation against an employee who has either instigated or cooperated in the investigation of alleged harassment. Disciplinary action will be taken against those who are found to have violated the City's policy against such retaliation.

If the investigation does not find that harassment occurred or that the alleged incident(s) did not constitute harassment, the matter shall be referred back to the department head for further appropriate action. For example, if workplace misconduct may have occurred but not harassment, the department head shall determine the manner in which to act upon the findings set forth in the investigation report.

An employee found to have reported harassment in bad faith or intentionally or willfully falsely reported harassment shall be subject to disciplinary action.

### **GENERAL EMPLOYMENT POLICIES**

#### **3.01 AT-WILL EMPLOYER**

The City of Tontitown is an at-will employer. This means that the City of Tontitown or any of its employees may terminate the employment relationship at any time for any reason with the understanding that neither has an obligation to base that decision on anything but his or her intent to discontinue the employment relationship. No policies, comments, or writings made herein or during the employment process shall be construed in any way to waive this provision.

This Handbook is not intended to create any contractual or other legal rights. It does not alter the city's at-will employment policy nor does it create an employment contract for any period of time.

#### **3.02 AUTHORITY TO HIRE AND FIRE**

The Tontitown City Council establishes the number and compensation of all city employee positions. The job title, classification and annual pay rate will be specified as set forth in the annual budget, and will not be exceeded unless authorized by the City Council. The Mayor may hire and fire those City employees not working under the direct supervision of a department head, unless they are independently contracted as approved by the City Council. City Employees working under the direct supervision of a department head may be hired and fired by the department head which supervises the employees, unless they are independently contracted as approved by the City Council.

#### **3.03 JOB POSTING AND ADVERTISING**

An application for employment will be accepted from anyone who wishes to apply for employment on forms provided by the city. Application forms are available in the office of the City Recorder. All information provided on the application must be true and correct with the provision of false information being grounds for elimination of consideration for hiring and/or dismissal from City employment.

In the event of a job opening, the position or positions open will be announced and posted on the City's website at least ten (10) days prior to the-dead- line for receiving applications. Copies of the job announcement will be distributed to city departments and as appropriate, to public and private employment agencies, local newspapers and other sources which might recruit applicants. Recruitment resources will be notified at least ten (10) days prior to the predetermined cut-off date for receiving applications.

Applications for full-time city employment will not be accepted from anyone under eighteen (18) years of age. Except as otherwise provided by Arkansas law, the department head is authorized to make the final decision with respect to hiring new employees and promoting existing employees.

### **3.04 EMPLOYMENT APPLICATIONS AND RESUMES**

The City of Tontitown relies upon the accuracy of information contained in the employment applications and resumes submitted by prospective employees, as well as other information provided throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information may result in the exclusion of the individual from further consideration for employment or, if the person has been hired, in termination or other disciplinary measures.

### **3.05 POST-OFFER PRE-EMPLOYMENT PHYSICALS**

Post-offer pre-employment physicals will be required for every applicant to be hired for the City in a permanent employment position. Such examinations shall be paid for by the City. The examinations shall be performed by licensed physicians selected by the department head. A summary report of the examining physician shall be provided to the department head as to whether the applicant can perform the job sought and what, if any, restrictions are necessary to determine any necessary work restructuring or accommodations. Although the physicians may make the medical determinations relative to physical/mental requirements of the job and any direct safety threat determinations, their determinations are only recommendations; final authority to hire rests with the City. Only in cases of emergency may an applicant begin work prior to the post-employment job offer medical examination, but employment is subject to the applicant's passing such examination.

Reports and records of all physical, psychological and mental exams shall be kept in the offices of the physicians or mental health practitioners with only a summary report provided to the department head to be kept in a confidential file apart from the individual's personnel file. The City may share such information only in limited circumstances with supervisors, managers, first aid and safety personnel, government officials investigating compliance with the ADA, state workers' compensation offices, state second injury funds, workers' compensation insurance carriers, health care professionals when seeking advice in making reasonable accommodation determinations, and for insurance purposes. Should there be a dispute concerning the exam, or should a supervisor be informed as to the need of reasonable accommodation including job restructuring, the report shall be made available to the necessary legal and supervisory or administrative personnel within the City Government.

### **3.06 FITNESS FOR DUTY EXAM**

Employees who, due to mental or physical disabilities, are rendered unable to perform their essential job functions with or without reasonable accommodation or who pose a direct safety threat to themselves or others shall be subject to a fitness for duty examination. Based on the findings of the exam and other job restructuring factors, the department head shall take such action that is necessary to ensure that the requirements of the individual's position are satisfied.

### **3.07 THE OMNIBUS TRANSPORTATION EMPLOYEE TESTING ACT OF 1991**

It is the City of Tontitown's intent to comply with all regulations and requirements of the Omnibus Transportation Employee Testing Act of 1991. City employees required to have a Commercial Driver's License (CDL) must comply with all regulations in the 1991 Omnibus Transportation Act. The Act requires alcohol and drug testing for all city employees whose jobs require a CDL.

These tests include pre-employment, post-accident, random, reasonable suspicion, and return-to-duty and follow-up testing. The City of Tontitown will not permit an employee who refuses to submit to requisite testing to perform or continue to perform any activity that requires a CDL. All employees are expected to obey all laws regarding the use of illegal drugs or alcohol. The City prohibits the possession, unlawful manufacturing, distribution of illegal drugs or the abuse of alcohol or prescription drugs while on City premises during work hours. Any employee violating this policy will be subject to appropriate discipline, including termination.

Any City employee who violates this substance abuse policy, or who is convicted of an alcohol or drug violation, will be subject to disciplinary action, up to, and including dismissal.

Any accident involving City owned Property will require the employee involved to undergo a drug and alcohol blood test.

### **3.09 FITNESS FOR DUTY**

Current abuse of drugs or alcohol is not a protected disability under the Americans with Disabilities Act (ADA). The City will not hire anyone who is known to currently abuse drugs or alcohol. Furthermore, all employees are expected to report to work in a fit condition to perform their duties. Employees on official business or representing the City on or off of the work place are prohibited from purchasing, transferring, using or possessing illegal drugs or from abusing alcohol or prescription drugs in any way that is illegal.

An employee reporting or returning to work whose behavior reflects the abuse of alcoholic beverages or drugs may be referred for a medical evaluation to determine fitness for work. Failure to report for an evaluation or follow the recommendations of the City will result in appropriate disciplinary action, including termination.

### **3.10 NOTIFICATION**

As a condition of employment with the City, employees must abide by the terms of this drug and alcohol policy and report any conviction under a criminal drug or alcohol statute including DWI convictions for violations occurring on or off City premises while conducting city business. A report of a conviction shall be made within five (5) days after the conviction. By signing the timesheet, each employee is verifying its accuracy. Signed and completed timesheets must be turned in on a weekly basis to their supervisors for approval.

#### **4.04.2 PAYROLL RECORDS**

The department head, or department head's designee, shall keep and maintain a record of work attendance, vacation and sick leave earned, used and accrued; and any other leave, whether with or without pay. These records shall be available to the department head, and individual employees shall be able to inspect their own records during normal business hours.

#### **4.04.3 PAYROLL PROCEDURES AND PAYDAY**

Each employee is responsible for monitoring the accuracy of each paycheck received. Any employee who believes that his/her paycheck does not properly compensate him/her for all hours worked in a given payroll period should immediately report their concerns to the department head.

#### **4.04.4 WITHHOLDING OF MEMBERSHIP DUES**

Upon receipt of a written request signed by a full-time municipal employee who is represented by a union or professional association, the City will withhold membership dues of the union or professional association from the salary of the employee. The withholding request shall be on a form provided to the employee by the City. The City will transmit all dues that are withheld under this section to the union or professional association representing the employee within five (5) days of the end of the pay period.

A withholding initiated under this section shall be discontinued only upon receipt of a written notice of cancellation signed by the employee.

#### **4.05 SALARY BASIS POLICY**

The Fair Labor Standards Act (FLSA) is a federal law which requires that most employees in the United States be paid at least the federal minimum wage for all hours worked and overtime pay at time and one-half the regular rate of pay for all hours worked over 40 hours in a workweek.

However, Section 13(a)(1) of the FLSA provides an exemption from both minimum wage and overtime pay for employees employed as bona fide executive, administrative, professional and outside sales employees. Section 13(a)(1) and Section 13(a)(17) also exempt certain computer employees. To qualify for exemption, employees generally must meet certain tests regarding their job duties and be paid on a salary basis at not less than \$455 per week. Job titles do not determine exempt status. In order for an exemption to apply, an employee's specific job duties and salary must meet all the requirements of the Department's regulations.

#### **4.05.1 SALARY BASIS REQUIREMENT**

To qualify for exemption, employees generally must be paid at not less than \$455 per week on a salary basis. These salary requirements do not apply to outside sales employees, teachers, and employees practicing law or medicine. Exempt computer employees may be

paid at least \$455 on a salary basis or on an hourly basis at a rate not less than \$27.63 an hour.

Being paid on a "salary basis" means an employee regularly receives a predetermined amount of compensation each pay period on a weekly, or less frequent, basis. The predetermined amount cannot be reduced because of variations in the quality or quantity of the employee's work. Subject to exceptions listed below, an exempt employee must receive the full salary for any workweek in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees do not need to be paid for any workweek in which they perform no work. If the employer makes deductions from an employee's predetermined salary, i.e., because of the operating requirements of the business, that employee is not paid on a "salary basis: · if the employee is ready, willing and able to work, deductions may not be made for time when work is not available.

#### **4.05.2 CIRCUMSTANCES IN WHICH THE CITY MAY MAKE DEDUCTIONS FROM PAY**

Deductions from pay are permissible when an exempt employee: is absent from work for one or more full days for personal reasons other than sickness or disability; for absences of one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness; to offset amounts employees receive as jury or witness fees, or for military pay; or for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions (see policies on penalties for workplace conduct rule infractions). Also, the City is not required to pay the full salary in the initial or terminal week of employment; for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act. In these circumstances, either partial day or full day deductions may be made.

#### **4.05.3 CITY POLICY**

It is our policy to comply with the salary basis requirements of the FLSA. Therefore, we prohibit all supervisors from making any improper deductions from the salaries of exempt employees. We want employees to be aware of this policy and that the City does not allow deductions that violate the FLSA.

#### **4.05.4 WHAT TO DO IF AN IMPROPER DEDUCTION OCCURS**

If you believe that an improper deduction has been made to your salary, you should immediately report this information to the department head in a written letter signed by the employee.

Reports of improper deductions will be promptly investigated. If it is determined that an improper deduction has occurred, you will be promptly reimbursed for any improper deduction made.

## **4.06 OVERTIME**

### **4.06.1 OVERTIME**

The City will pay overtime in accordance with the Fair Labor Standards Act at one and half times the base rate or hourly rate for all hours worked in excess of the hours per week set forth in the WORK HOURS section of this Handbook.

Overtime will be permitted only with prior approval of the department head prior to the commencement of such work or when absolutely necessary due to emergency conditions. Failure to obtain prior approval before working overtime will result in disciplinary action, including but not limited to, suspension without pay.

### **4.06.2 REDACTED**

### **4.06.3 NON-EXEMPT AND EXEMPT EMPLOYEES**

Non-exempt employees are subject to the Fair Labor Standards Act (FLSA) overtime requirements and therefore are subject to the overtime policies set forth in this Handbook.

Exempt employees are not subject to the Fair Labor Standards Act overtime requirements. Certain employees are classified as exempt based upon the nature of the work, conditions of employment and by the criteria set forth in the rules and regulations of the Fair Labor Standards Act. Exempt employees shall not be eligible for overtime for hours worked in excess of the regular workweek.

Exempt employees will be allowed to take time off to offset additional hours required, but no formal accumulation of hours will be recorded in the payroll system. Exempt employees will be required to request time off in advance from the Mayor.

## **4.07 EMERGENCY SITUATIONS**

It is the policy of the City to maintain hours of operation, which make the best use of employees and resources in serving the needs of the public. Emergency situations may from time to time necessitate the closure of City offices. Such situations shall be determined by the City Council after consideration of all facts. Essential personnel required to be at work under emergency situations shall receive their normal rate of pay.

At times, it may become necessary to close individual offices due to limited staffing levels, special departmental meetings, etc. Department closures shall be approved by the City Council. Arrangements shall be made with other departments, switchboard, etc. to handle any emergency situations during the department's closure. A skeleton crew shall remain in each department to cover phones and assist the public when at all possible.

## **4.08 TEMPORARY AND SEASONAL EMPLOYEES**

On occasion, the City may hire temporary or seasonal employees who are hired for a set duration (i.e., in the form of a seasonal employee, such as a lifeguard for an outdoor

swimming pool) or for a specific project. These employees are not intended to be employed on a regular basis and are employed at-will. Temporary employees may be hired full- or part-time and are paid for actual hours worked at a rate determined by the department head. Temporary, non-exempt employees are eligible for overtime for hours exceeding 40 hours per workweek, subject to all other overtime policies set forth in this Handbook. A temporary employee may be employed for up to six (6) months at which time the temporary status shall be reviewed before employment is continued. Unless otherwise authorized by the City Council, temporary and seasonal employees do not qualify for annual leave, sick leave or other City benefits.

#### **4.09 VACANCIES AND PROMOTIONS**

It is the intent of the City of Tontitown to hire and promote the most qualified applicant for all vacant positions. To give the employees of the City of Tontitown an opportunity to apply for job vacancies, announcements of job openings will be posted on employee bulletin boards.

In accordance with equal employment opportunity guidelines and this manual, notice of job vacancies will be sent to the appropriate news media and employment agencies throughout the relevant labor market. A job description of each vacant position will be provided upon request.

The final decision regarding promotions shall be made by the department head.

#### **4.10 TRAINING**

The City of Tontitown is committed to continuing training for all employees. If an employee feels that additional training is needed, he/she is responsible for notify his/her department head. Expenses incurred in on-the-job training should be assumed by the City.

#### **4.11 PERFORMANCE EVALUATIONS**

All employees will participate in a performance review session, at least annually, with their supervisor. This review is intended to provide support for the individual; to improve the performance of the individual by providing meaningful, constructive feedback on the adequacy of performance; and to assist in the development and fulfillment of professional growth goals and job responsibilities.

Formal and documented reviews, as well as casual and undocumented discussions with your supervisor, will be a part of your performance evaluation. To the extent practicable, evaluations will be based on the direct supervisor's direct observations of each employee's performance, the quality and quantity of each employee's performance, and any additional efforts undertaken by the employee.

Your signature on formal review forms will serve as notice that the review has taken place and not whether you agree or disagree with the contents. Completed formal evaluation forms will be placed in the employee's personnel file. Please note that a performance evaluation does not necessarily mean a salary adjustment.

## **4.12 JOB SAFETY**

The City of Tontitown strives to provide a healthy and safe working environment. Safety is largely the use of good judgment and careful work habits. If an employee is unsure of how to perform a task safely, he should ask his supervisor or department head for the correct method.

Unsafe conduct constitutes misconduct. The following safety rules should always be observed:

- Follow all departmental safety rules.
- Use all mechanical safeguards on or for employee equipment.
- Immediately cease using and report any faulty or potentially faulty equipment to the supervisor or department head.
- Immediately report any unsafe or potentially unsafe working condition or equipment.
- Immediately report any and every accident to the supervisor or department head.

Violence or threats of violence are strictly prohibited and, if confirmed, may be grounds for immediate termination. Examples of such conduct include harassing or threatening phone calls, email or written communication directed towards an employee or his or her friends/family members; stalking; and the destruction of personal and/or City property.

Dangerous items of any nature such as weapons, explosives, or firearms will not be permitted on City property, or in an employee's possession while conducting City business offsite. Of course, theft of any kind will not be tolerated.

## **4.13 REFUSAL TO WORK**

A city employee's commitment is to public service. Any work stoppage, slowdown, strike or other intentional interruption of the operations of the city shall cause the employee to forfeit his or her employment and result in the termination of the employee from the City of Tontitown.

## **4.14 RESIGNATION/TERMINATION**

Employees who wish to terminate their employment with the City of Tontitown are required to notify the city at least two (2) weeks in advance of their intended termination. Such notice should be given in writing to the employee's department head or supervisor. Although not required, proper notice generally allows the City sufficient time to calculate all final accrued monies due the employee for his or her final paycheck. Without adequate notice however, the employee will have to wait until after the end of the next normal pay period to receive such payments.

Employees who plan to retire are required to provide the City with a minimum of two (2) months' notice. This will allow ample time for the processing of appropriate pension forms to ensure that retirement benefits to which an employee may be entitled commence in a timely manner.

All employment relationships with the City of Tontitown are on an at-will basis. Thus, although the City of Tontitown hopes that the relationship with employees are rewarding, the City reserves the right to terminate the employment relationship of any employee at any time.

#### **4.15 EXIT INTERVIEWS**

Employees whose employment has terminated may be requested to participate in an exit interview and sign an exit interview form at the time of termination. During the interview, matters of final pay and benefits will be discussed, and the employee will be required to return any City property in his/her possession or which was entrusted to him/her.

#### **4.16 JOB DESCRIPTIONS**

It shall be the responsibility of the department head to maintain a job description on file for each position in the department. The job description should include scope of responsibility, typical duties, qualifications, knowledge, skills and abilities, physical demands and environment, and an employee acknowledgment.

Policies concerning vacation time for non-uniformed employees in no way alter the City of Tontitown's at-will employment policy as described in this Personnel Handbook.

#### **5.01.3 SCHEDULING VACATIONS**

Each full-time employee may take accrued vacation with full pay at such time as is mutually agreed upon between the employee and their supervisor. All vacation leave must have the advance approval of the employee's supervisor, so that the leave fits in to the overall

scheduling of the department with priority given to those with seniority. Employees should notify their department heads at least seven days in advance of being absent for vacation time. The permissible number of employees taking vacation any one time will be governed determined by the department head based upon departmental workloads. The City reserves the right to alter vacation schedules.

Maximum vacation leave to be taken at any one time is (15) days, unless advance approval is granted.

## **5.03 INCLEMENT WEATHER**

In the event City offices are open but an employee is unable to report to work due to inclement weather conditions, the employee may elect to use either annual leave, comp time or leave

without pay. At his or her supervisor's discretion, an hourly employee may make up lost time through an adjusted work schedule, but under no circumstances shall this result in the employee becoming eligible for overtime compensation.

In the event the Mayor declares that City offices are closed, or office openings are delayed, all non-essential full-time employees will be paid for such time off. Part-time employees will only be paid if normally scheduled to work that day and only for those hours which the employee would normally work. Those employees who have been designated by management as essential personnel, regardless of weather conditions, shall report to their work sites according to the work schedules established for them.

### **5.04.1 POLICE DEPARTMENT**

Pursuant to Ark. Code Ann. §14-52-107, law enforcement officers, regardless of their titles, shall accumulate sick leave at the rate of twenty (20, 8hr) working days per year beginning one (1) year after the date of employment. No sick leave, as provided in this section, shall be charged against any officer during any period of sickness, illness, or injury for any days which the officer is not scheduled to work.

If, at the end of his term of service, upon retirement or death, whichever occurs first, any police officer has unused accumulated sick leave, he shall be paid for this sick leave at the regular rate of pay in effect at the time of retirement or death. Payment for unused sick leave will not be made when the officer's employment terminates for any reason other than death or retirement. Payment for unused sick leave in the case of a police officer shall not exceed sixty (60) days' salary.

### **5.04.2 NON-UNIFORMED EMPLOYEES**

The City of Tontitown recognizes that inability to work because of illness or injury may cause economic hardships. For this reason, the City of Tontitown provides paid sick leave to full-time employees. Full-time employees working 40 hours per week shall accrue sick leave at the rate of 8 (eight) hours per month. Full-time employees not working 40 hours per week shall accrue sick leave at the rate of 8 (eight) hours per month multiplied by their regularly scheduled weekly hours, divided by 40, per month.

Any sick leave days which are not used in any calendar year may be carried over as accumulated sick leave days for the succeeding calendar year up to a maximum of thirty (30) days.

An employee may be eligible for sick leave days for the following reasons:

- Personal illness or physical incapacity.
- Quarantine of an employee by a physician or health officer.
- Illness, injury or death in the employee's immediate family which require the employees' presence. Immediate family includes only the following persons related by blood,

An employee who is unable to report for work due to one of the previously listed sick leave reasons shall report the reason for his absence to the employer's supervisor or someone acting for the employee's supervisor within two (2) hours from the time the employee is expected to report for work. Sick leave with pay may not be allowed unless such report has been made as aforementioned.

Employees who are absent more than three (3) consecutive days due to illness or injury may be required by the supervisor or department head to submit a physician's statement. Employees absent from employment due to illness and under a physician's care may be requested to present a certificate of release to the department head before returning to work.

Absence for part of a day that is chargeable to sick leave in accordance with these provisions shall be deducted from accrued leave in amounts of not less than one-half (X) day increments. An employee who uses all of his or her accrued sick leave days shall thereafter be placed on an inactive, without-pay status.

An employee may use earned sick leave while receiving workers' compensation benefits only to the extent that the leave augments the employee's workers' compensation benefit to the amount equal to that employee's regular rate of pay. An employee may use sick leave in this fashion for a maximum of six months.

Non-uniformed employees will not be paid for accrued sick days upon termination of employment with the City.

### **5.04.3 SICK LEAVE BANK**

#### **A) Participation**

All full-time city employees who have full benefits are allowed to participate in the Sick Leave Bank after declaring their intention to participate and donate at least eight (8) accumulated hours of leave to the bank by January 15 of the calendar year (new hires are allowed to join 30 days after getting full benefits, which is 90 days, for a total of 120 days, including existing employees 30 days from inception of ordinance).

Such declaration and contribution shall be made on a Sick Leave Bank Form.

#### **B) Governance**

The Sick Leave Bank is governed by the Mayor, Recorder/Treasurer, and one full time employee elected in an election run by the Police Chief. This committee shall approve or disapprove requests based on individual situations and documentation. The Committee may review employee records and documentation.

### C) Rules of Operation

1. Only participants who have made a contribution to the bank may make requests from the Bank.
2. Sick Leave Bank hours will be granted only in the cases of physical, mental, or emotional illness of the participant, or illness or death in the immediate family. Immediate family shall include participant's spouse, children, spouse's children, parents, spouse's parents, and any other relatives living in the same household.
3. Sick Leave Bank hours will only be granted after the exhaustion of all other paid compensation (sick leave, vacation and compensatory time). Sick Leave Bank hours or days are grants and do not require repayment.
4. Sick leave grants made from the banks shall be for up to **160 hours** for an individual applicant per year, if the hours are available.
5. The sick leave bank committee shall have the discretion to award days in fractional amounts up to the **maximum 160 hours** per year to a participant who has disability income protection insurance that pays a per diem rate less than the employee's contracted per diem rate. This discretion is limited to the degree that the sum of the per diem disability insurance plus the value of the per diem sick leave bank leave days awarded does not exceed the total per diem amount for the leave as compensated by both wages and disability compensations.
6. Any participant of the sick leave bank making withdrawals from the bank must contribute at least the minimum of eight (8) hours at the beginning of the next calendar year (by January 15 or when 8 hours of leave is earned) in order to be eligible to make withdrawals from the bank in succeeding years.
7. Any unused sick leave bank hours granted may not be carried forward to any subsequent year and shall be returned to the sick leave bank if unused at the end of the calendar year.

9. Participants who have contributed to the sick leave bank will not be requested to contribute to the bank again as long as the bank is considered to be solvent. When the sick leave bank committee determines that more hours/days are needed for the bank to remain solvent, each participant will be requested to contribute eight (8) hours of their earned leave. Failure to contribute will result in termination as a sick leave bank participant.
10. Solvency will be established at the point of 160 hours is accrued and maintained for a period of no less than one year in the bank.

A maximum of 640 hours may be in the sick leave bank (prior balance shall be carried forward and no contributions will be accepted until bank balance falls below 640 hours. The only exception will be for non-employees and employees not previously participants in the sick leave

bank joining at the beginning of any calendar year.)

## **5.05 FUNERAL OR BEREAVEMENT LEAVE**

Funeral leave with pay up to a maximum of three (3) calendar days will be granted to all city employees in cases of death or in the circumstances of death in the immediate family only.

As used in this subsection, "immediate family" means mother, father, brother, sister, son, daughter, grandparents, son-in-law, daughter-in-law, spouse, spouse's immediate family, or those relatives who live in the employee's household including "step" relatives.

Travel time may be granted upon prior approval from the department head in addition to the three (3) days where travel time of more than eight (8) hours is necessary.

The department head may grant funeral leave of not more than one (1) day for an employee to be a pallbearer or attend a funeral of someone not within the immediate family.

## **5.06 MATERNITY LEAVE**

Employees affected by pregnancy, childbirth or related medical conditions shall be treated the same for all employment-related purposes as persons disabled for non-pregnancy related reasons. Therefore, accrued sick leave and vacation leave, if representative of the employee will be granted for maternity use after which leave without pay must be used.

## **5.07 UNIFORMED SERVICES**

Certain rights to re-employment after service in the uniformed services, as well as provisions relating to pension and health benefits are established in the Uniformed Services Employment and Re-employment Rights Act of 1994, 38 USC 4301 et seq., and in Ark. Code Ann. § 21-4-102. It is the City's policy to honor and comply with the provisions of those statutes.

The Uniformed Services Employment and Reemployment Rights Act (USERRA), prohibits discrimination against persons because of their service in the military. USERRA prohibits an employer from denying any benefit of employment on the basis of an individual's membership, application for membership, performance of service, application for service, or obligation for service in the uniformed services. USERRA also protects the right of veterans, reservists, National Guard members, and certain other members of the uniformed services to reclaim their civilian employment after being absent due to military service or training.

A summary of rights afforded by the Uniformed Services Employment and Reemployment Rights Act (USERRA) is contained in a poster developed by the U.S. Department of Labor and can be found on their website. As an employer, the city shall provide to persons entitled to rights and benefits under USERRA a notice of the rights, benefits, and obligations of such persons and such employers under USERRA.

In addition, under Ark. Code Ann. §21-4-102, employees who are members of a military service organization or National Guard unit shall be entitled to a military leave of fifteen (15) days with pay plus necessary travel time. As mentioned below, the FLSA provides further rights to family members of military personnel.

## **5.08 FAMILY MEDICAL LEAVE**

The Family Medical Leave Act (FMLA) of 1993 requires cities with fifty (50) or more employees to offer up to twelve (12) weeks of unpaid, job-protected leave to eligible employees for certain family and medical reasons. Because the City of Tontitown has fewer than fifty (50) employees, its employees are not eligible for family medical leave. At such time as the City's employees do become eligible under the Act, this provision will be revised to reflect the benefits pursuant to the FMLA.

## **5.09 LEAVE FOR WITNESS OR JURY DUTY**

Regular full-time employees who have completed a minimum of ninety (90) calendar days of service will be granted leave with pay for witness or jury duty. This paid leave shall not exceed two (2) weeks of paid jury or witness duty leave over any two (2) year period. Employees are also permitted to retain the allowance for services from the court for such service. To qualify for jury or witness duty leave, employees must submit to the department head a copy of the summons or other relevant court related paperwork as early as possible upon receipt thereof. In addition, proof of service must be submitted to the employee's supervisor when the employee's period of jury or witness duty is completed.

## **5.10 MISCELLANEOUS LEAVE**

The attendance of employees at seminars and training programs is considered part of continual professional development. Attendance of such seminars and programs must be preapproved by the department head. If employees are required to attend these meetings at a location requiring an overnight stay or travel time in excess of the employee's normal work day, overtime will not be paid.

The City will pay all reasonable out-of-pocket expenses for lodging, travel costs, meals, etc., pursuant to its regular expense policy. However, no such expenses will be reimbursed without receipts documenting payments of such expenses.

The misrepresentation or altering of claims for reimbursement may result in the filing of criminal complaints, as well as disciplinary action.

All City employees are covered under the Arkansas State Workers' Compensation laws. Any employee incurring an "On-the-job" injury should immediately notify his/her supervisor who will arrange for appropriate medical treatment and prepare the necessary reports required for the employee to be compensated. Rules and regulations concerning Workers' Compensation have been posted on bulletin boards located at City Hall.

### **5.13 ACCIDENTAL INJURY**

If any full-time employee is involved in an accident which is not job-related and the injury sustained in such accident necessitates that the employee be absent from work, the employee shall be entitled to receive pay at a regular salary for the number of days of accumulated sick leave credited to that employee at the time the accident occurred.

## **CHAPTER 6**

### **STANDARDS OF CONDUCT**

#### **6.01 COMMUNICATING WITH THE PUBLIC**

Employees of the City of Tontitown shall at all times be civil, orderly and courteous in their conduct and demeanor towards the public. Each employee should treat members of the public with respect and efficiently provide responses to their inquiries or requests. This attitude or approach to public service cannot be overemphasized.

When an employee is uncertain of the correct response to an inquiry or request from the public, he/she should refer the inquiry to the individual or the department which can provide the most satisfactory response to the inquiry. It is better to admit lack of knowledge than to provide erroneous information.

#### **6.02 UNIFORMS AND PERSONAL APPEARANCE**

The City of Tontitown expects its employees to accept certain responsibilities, adhere to acceptable principles in matters of personal conduct and exhibit a high degree of personal integrity at all times. This not only involves a sincere respect for the rights and feelings of others, but also demands that both while at work and in their personal lives, employees refrain from behavior that might be harmful to the employees, co-workers, the citizens and/or the city.

Whether an employee is on-duty or off-duty, his/her conduct reflects on the city. An employee should observe the highest standards of professionalism at all times.

Should an employee's performance, work habits, overall attitude, conduct or demeanor become unsatisfactory and in violation of either of the above-referenced items or any other city policies, rules or regulations, an employee will be subject to disciplinary action up to and including dismissal.

## **6.04 ABSENTEEISM AND TARDINESS**

Regular attendance is essential to the effective business operations, and the City of Tontitown expects all of its employees to report to work on time and on a regular basis. Unnecessary absences and tardiness are expensive, disruptive and place an unnecessary burden on fellow employees, supervisors, City government as a whole and the taxpayers who receive City services. Should an employee be unable to report to work on time because of illness or personal emergency, he/she should give proper notice to his or her supervisor.

Excessive absences or tardiness, unexcused absences and tardiness, falsification of reasons for any absence or tardiness, absences/tardiness which form unacceptable patterns (i.e., regularly reporting late on Monday mornings or calling in absent on Fridays), or failing to provide proper medical documentation to support absences/tardiness may result in disciplinary action.

"Proper notice" is defined by the City as notice in advance of the time an employee should report for work or no later than one (1) hour thereafter advance notice is impossible.

An absence of an employee from duty, including any absence of one (1) day or part thereof, (other than an absence authorized by this personnel handbook or by law) that is not authorized in advance by the Department Head or the employee's supervisor will be deemed absence without leave. Such absence shall be without pay.

## **6.05 INCLEMENT WEATHER**

In exceptional circumstances beyond the employee's control, such as weather causing hazardous conditions, the employee is required to contact his or her supervisor for instructions regarding job assignments for that particular work day. If an employee's department is open for business, the employee is expected to report for work. However, if in the employee's opinion, the conditions are too hazardous for him or she to get to work safely, he or she will have the option of taking the time off as a vacation day. Regardless of the situation, an employee is required to give his or her supervisor proper notice if he or she is unable to report for work.

## **6.06 OUTSIDE EMPLOYMENT OR MOONLIGHTING**

If an employee is considering additional employment, he or she should discuss the additional employment with his or her department head or supervisor for approval. If, as an employee of

the city, an employee participates in additional employment, it must not interfere with the proper and effective performance of his or her job with the city. An employee's outside employment must not be of a nature that adversely affects the image of the city, or of a type that may be construed by the public to be an official act of the city or which in any way violates these policies. City uniforms shall not be worn during outside employment unless approved in advance by the department head.

## **6.07 VOTING**

City employees are encouraged to exercise their legal right to vote and, if necessary and requested in advance, reasonable time will be granted for the purpose.

## **6.08 OUTSIDE COMPENSATION**

This policy applies equally to all employees and visitors, and is in keeping with the applicable City laws or ordinances in relation thereto.

## **6.10 DRUG-FREE WORKPLACE**

It is the policy of the City of Tontitown to create a drug-free workplace in keeping with the spirit and intent of the Drug-Free Workplace Act of 1988 and its amendments. The use of controlled substances is inconsistent with the conduct expected of employees, subjects all employees and visitors to city facilities to unacceptable safety risks and undermines the city's ability to operate effectively and efficiently. Therefore, the unlawful manufacture distribution, dispensation, possession, sale or use of a controlled substance in the workplace or while engaged in city business for the city of Tontitown or on the city's premises is strictly prohibited. Such conduct is also prohibited during non-working hours to the extent that, in the opinion of the city, it impairs an employee's ability to perform on the job or threatens the reputation and integrity of the city.

To educate employees on the danger of drug abuse, the city has established a drug-free awareness program. Periodically, employees will be required to attend training sessions at which the dangers of drug abuse, the city's policy regarding drugs, the availability of counseling, and the city's employee assistance program will be discussed. Employees convicted of controlled substances related violations in the workplace must inform the city within five (5) days of such conviction or plea. Employees who violate any aspect of this policy may be subject to disciplinary action up to and including termination. At its discretion, the city may require employees who violate this policy to successfully complete a drug abuse assistance or rehabilitation program as a condition of continued employment.
