City of Tontitown

Thank you for the opportunity to provide this quote to you. This proposal will cover the need for a business phone system to transition from the existing system.

Project:

Implement a Voice Over IP phone system at City of Tontitown. System will include voice mail, voice mail to e-mail capability, auto attendants and remote phone capability.

Provide for a pc based call recording ability.

Setup follow me calling, and allow users to set presence and determine what happens when presence is set.

Allow for the phone system to automatically transition from day to night or holiday mode through programming.

Proposed Solution:

Purchase and install Allworx voice over IP phone system.

Program phone system per your company's requirements.

Train users on features and operation of the system.

Review current phone lines and trim where appropriate.

Implementation:

- a) Purchase, install and configure Allworx 6x VOIP system.
- b) Determine system settings with City personnel.
- c) Program and set phones.
- d) Install Call assistant on user computers.
- e) Assist with recording greetings.
- f) Train personnel on system features.

Pricing:

Allworx 6x VOIP system

Bundle of eight 9212 twelve button phones

Two 9224 24 button phones

Lightning protection for phone lines

Installation hardware

Setup and training

Total \$4,685.00

Assumptions:

1. Quote does not include taxes. Sales tax will be applied to applicable items at the time of purchase. All hardware will be taxable. Software installed via load and leave and software configuration are not taxable.
2. Payment terms will be 60% due on acceptance, with the remainder due on completion. Other payment options must be agreed upon in writing. A lease option is available.
3. The prices in this quote include only the items listed. Additional work will be billed at a preferred rate of \$85.00 per hour.

Thank you for the opportunity to provide you with this quote. Please feel free to contact me with any questions or concerns you may have.

Sincerely,

Ronny Thompson,
