11. **Comments from Alderman**

- Arthur Penzo and Gene McCartney commented that everything is going well and headed in the right direction.
- Don Doudna likes where the city is headed and we will reap the rewards of all the hard work that has been done.
- Larry Ardemagni 2017 did a job well done. The disposal of the church has been dealt with a looks much better.
- Gene McCartney asked if the water transmission line between Tontitown and Siloam Springs was partly ours. The answer was no.
- Henry Piazza asked about the appraisals from the Piazza family. James Clark said Rick Piazza is to bring the appraisal to the office Thursday around 4:00pm.
- Tommy Granata wanted to know why the Planning members stopped receiving funds for their hard work. (Discussion) Possibly because it went from a committee to a board, but the mayor said he will get with the city attorney and look into it.

12. **Comments from Mayor**

Braich Arrow DID give permission to the city to use their property as a road way to dispose of the old church.

We have already started working on this year's Bocce Ball Tournament and Halloween in the Park.

The 2018 Farmers Market will be starting in a few months and there will be no fees this again year, in hopes to make it bigger. Henry Piazza says he needs help to make this a success, so if anyone is interested please contact the city or Henry Piazza.

We are possibly looking into building another pavilion and more parking.
