11. Comments from Alderman

- Gene McCartney looking forward to our “Halloween in the Park”. The park looks great and the new fire pickup for Chief Todd Witzigman looks very nice.
- Larry Ardemagni said the city employees are doing a good job.
- Arthur Penzo said his neighbor’s yard was damaged when a big truck and trailer was turning on Liberty Avenue from Ardemagni Road. This big truck and trailer was leaving a subdivision located on Ardemagni Road. The developer is required to use a certain route set forth by the Planning Department and that is Baker Street. After locating the head guy and an engineer at the subdivision she personally made sure her yard was repaired to her satisfaction.
- Tommy Granata congratulated everyone for running and being unopposed and will look at the new sign when leaving tonight’s meeting.
