11. Comments from Council Members

- Larry Ardemagni is just glad to be here.

- It is with great sadness that I have to report that Henry Piazza announced that after 47 years of service to the City of Tontitown, he is stepping down as councilman at the end of the year. Henry has devoted his life to the City of Tontitown to help make it the beautiful, thriving and respected community it is today. Words cannot express how grateful and appreciative we are to have had someone so passionate and dedicated to the citizens and the city we love.
- Don Doudna agrees that we need to address our roads and make it our number one priority but not sure what can be done at the Ardemagni intersection due to all the subdivisions going in and all the truck traffic. Don also asked about Fletcher street project. James Clark said we are waiting on the engineers to finish the plans. Don also thanked Henry for his service.
- Tommy Granata thanked Henry for his service.
- Gene McCartney said we need to find the areas that need addressed and prioritize and budget it for them even patch the areas we can until something permanent can be done.
- Rhonda Ardemagni said Scott Ardemagni has addressed the Ardemagni/Liberty intersection several times and a roller was used twice in the last year.
