1. **HVAC** - The new HVAC system installation was completed the first week of January by Brinker Heating & Cooling Services, Inc. Two additional runs were added in the attic to improve circulation: one in the Entry Room and one in the Storage Room. We will continue to monitor heat and humidity.

2. **Storage in City Hall Attic** - To create work space and organization in the THM Storage Room, we will move non-critical items from our Storage Room to a storage area in the City Hall attic. Thanks to Pat Pianalto for helping mark off a reserved space in the attic.

3. **Preserve Arkansas award** - THM and Scott Davis were honored to receive the 2019 ***Excellence in Heritage Preservation*** award from Preserve Arkansas for the **Tontitown Oral History Video Project of 2018**. Scott Davis and Bev Cortiana accepted the award at the Preserve Arkansas Award ceremony at the Governor's Mansion in Little Rock on January 17.

About Preserve Arkansas: Founded in 1981, Preserve Arkansas is the only statewide nonprofit organization dedicated to saving Arkansas's architectural and cultural heritage. From saving historic buildings, structures, and sites to promoting preservation-friendly legislation at all levels of government, Preserve Arkansas works diligently to promote preservation efforts across the state.

The next THM Board of Directors meeting is on February 3 at 6 p.m. at City Hall.
