.

Training

The fire marshal and operations chief attend class at Central EMS for continuing education for their EMT license. CPR recertification was completed in March. Operations Chief completed a CFI class on Writing Origin and Cause Report and two UL Fire Safety Academy classes. One class was Firefighter Safety and Photovoltaic Systems and the second class was Water Mapping in Residential Structures. The Fire Marshal completed a class of Fire Protection Systems in Elevators and an eight-hour class on Fire Alarm Plans Review.

Fire Marshal

The fire marshal reviewed plans and Knox details for the school. Also plans were reviewed for Grease Monkey, Mantegani Estates and Osage Veterinary Hospital.
