Grants

We received notification that we did not receive the Firehouse Subs grant that was available the first quarter of 2021. We have applied again for the Firehouse Subs grant that will be awarded in July of 2021.

Training

The fire marshal and operations chief attend class at Central EMS for continuing education for their EMT license and also completed 16 hours of Auto Extrication training.

Fire Marshal

As part of our public education program, the fire marshal and operations chief provided fire extinguisher training for two groups of Waste Management employees.
