

WHAT DO WE DO?

Each year at LEGO League events, our team competes in several different events. We design, build, and program a robot completely from scratch; we develop an innovative research project; and we present on our engineering process and product development. By participating in this class, we dedicate hundreds of hours, pushing ourselves to grow as engineers, programmers, public speakers, and team members.

WHAT IS HEROBOTICS?

Herobotics is Hellstern Middle School's FIRST LEGO League team. FIRST (For Inspiration and Recognition of Science and Technology) is an organization whose mission is "to transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders."

Our Herobotics family includes both 6th and 7th grade students. Our teams excelled at the state level of competition and will be progressing to compete against teams from all over the world.

WE NEED YOUR HELP

Both the Red and Gold teams have significant expenses that we will need to cover in order to travel and compete at the various world class competitions ahead of us. We are estimating we will need approximately \$30,000.

Please consider sponsoring our team!

PLATINUM SPONSOR

\$1000 or more

Logo or name on our banner to display in our pit area at the World Festival and Western Edge Invitational.

GOLD SPONSOR

\$500 - \$999

Logo or name displayed at our pit table at the World Festival and Western Edge Invitational.

SILVER SPONSOR

\$100 - \$499
