§ 153.080 AGRICULTURE AND RESIDENTIAL DISTRICTS; GENERAL DESCRIPTION.

(H) *R-4, Single-Family Residential.* This district is characterized by single-family or duplex residential development on medium sized lots of at least 8,000 square feet, with density not exceeding four units/acre. As with other residential zones, this district also serves as a buffer in providing for a step-down in intensity from higher to lower density residential and other types of development. It is the intent and desire of the city that R-4 zoned areas, which typically have smaller sized lots, be served by municipal water and sanitary sewer service. The R-4, Single-Family Residential is not an available residential zoning district classification for assignment and is only available for current properties that are assigned to the R-4 zoning district.
