**HI Brad,**

## **Qualifications and Experience:**

**I worked at JB Hunt for 25 years retiring June 30, 2023.**

**I worked in operations managing drivers in the beginning before moving into a sales role working with fortune 500 customers. In 2012 was asked to lead a team within our brokerage division. From 2012-2015 I was responsible for leading three teams and three different P&L's. In 2015 I was asked to hire managers and build out teams as we open offices throughout the states. Each P&L/team was tasked to build out a customer base that brought in \$10M in revenue. This also gave me the opportunity to work with our real estate department. Looking at class A offices and dealing with contracts. That's the short version but mainly I hired managers and developed teams and was promoted to Sr Director of Sales in 2019.**

## **Community**

**I grew up on Robinson road on a 600 acre farm. We went to church at St Joseph as a kid growing up. I moved to Tontitown in 2002 and built a new house on Kelly Ave where I still live today. Working at JB Hunt I had to travel 70 percent each month so I didn't really have time to get involved until now. I ran for city council which was a great experience in 2023 for me. I want to stay active and involved with all the development taking place now and in the future. I feel confident that I can bring value to this position.**

**Thank you**
