Subject: Recommendation for Acceptance of Bid – Mantegani Road Half Street Upgrade

Dear Members of the City Council,

After careful review and evaluation of all submitted proposals for the Mantegani Road Half Street Upgrade project, CK Civil Engineering recommends the acceptance of the lowest bid. It was submitted by Thomlinson Asphalt Co., dated April 25, 2025, for \$640,230.00.

Thomlinson Asphalt provided the most competitive bid, clearly demonstrating their capability to meet all the requirements specified for this important municipal infrastructure improvement. Additionally, their proven track record of successful completion of multiple large-scale projects and reputation as a reliable partner with the City of Tontitown in the past make them an ideal choice for this project.

Should the council approve this recommendation, CK Civil Engineering is prepared to coordinate promptly with Thomlinson Asphalt Co. to finalize all contractual details, scheduling, and project mobilization to ensure efficient project delivery.

Thank you for your attention to this recommendation. Please feel free to reach out with any questions or further discussion.

Respectfully submitted,

Zak Johnston, PE
