

RESOLUTION NO. 2025-07-1199R

CITY OF TONTITOWN, WASHINGTON COUNTY, ARKANSAS

A RESOLUTION TO APPROVE AND ADOPT AN EMERGENCY OPERATIONS PLAN FOR THE CITY OF TONTITOWN, ARKANSAS.

WHEREAS, the City of Tontitown desires to adopt an Emergency Operations Plan (“EOP”) in order to set forth a framework for coordinated response efforts in the event of a disaster or emergency within the City of Tontitown, as described in the attached Exhibit “A”; and

WHEREAS, the EOP will apply to various types of emergencies including but not limited to, natural disasters, hazardous material incidents, terrorism and civil unrest, public health emergencies, and civil disturbances or mass casualty events; and

WHEREAS, the City Council has determined that it is in the best interest and benefit of the community to approve and adopt the Emergency Operations Plan, attached hereto as Exhibit “A” for the City of Tontitown in order to ensure the safety and welfare of the public through a coordinated approach to managing emergency resources, services, and communication.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Tontitown, Arkansas:

Section 1. The City Council hereby approves and adopts the Emergency Operations Plan, attached hereto as Exhibit “A”, for the City of Tontitown.

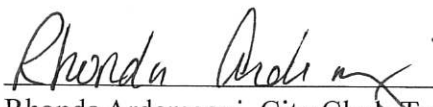

PASSED AND APPROVED this 15 day of July 2025.

APPROVED:

Angela Russell, Mayor

ATTEST:

Rhonda Ardemagni, City Clerk-Treasurer
(SEAL)

**Emergency Operations Plan (EOP)
City of Tontitown, Arkansas**

I. Introduction

This Emergency Operations Plan (EOP) provides a framework for coordinated response efforts in the event of a disaster or emergency within the City of Tontitown, Arkansas. The plan is designed to ensure the safety, well-being, and recovery of all residents, businesses, and critical infrastructure. As well as providing a coordinated approach to managing emergency resources, services, and communication.

II. Purpose

The purpose of this plan is to:

- Establish clear roles and responsibilities for the emergency response.
- Organize response efforts to mitigate, respond to, and recover from disasters.
- Ensure the safety and welfare of the public during an emergency.
- Facilitate communication and coordination between city agencies, first responders, state and federal agencies, and the community.

III. Scope

This plan applies to all types of emergencies, including but not limited to:

- Natural disasters (e.g., tornadoes, floods, severe weather, wildfires)
- Hazardous Material Incidents (e.g., hazardous materials spills)
- Terrorism and civil unrest
- Public health emergencies (e.g., pandemics, disease outbreaks)
- Civil disturbances or mass casualty events

IV. Assumptions

- Tontitown may be impacted by both localized and regional emergencies.
- Local first responders, public safety officials, and government agencies will initially lead the response.
- State and federal resources may be requested if the emergency overwhelms local capabilities.
- Emergency response will be coordinated through the Tontitown Fire Station 1 emergency operation center (EOC) or the Washington County Department of Emergency Management (WCDEM) emergency operations center (EOC).
- Communications will be maintained with the public through various channels, including social media, radio, and community outreach.

V. Organizational Structure

The Emergency Operations Plan is based on the Incident Command System (ICS), which allows for flexible and scalable management of emergency operations.

A. Incident Command

- **Mayor of Tontitown** – Overall decision-maker and primary authority.
- **Emergency Manager** – Leads coordination of all aspects of the emergency response.
- **Incident Commander (IC)** – A designated senior official who takes charge of the on-the-ground response during a disaster.
- **Public Information Officer (PIO)** – Responsible for communication with the public, media, and stakeholders.
- **Operations Section Chief** – Manages tactical operations, including first responders, firefighting, rescue, and medical services.
- **Planning Section Chief** – Responsible for collecting data, analyzing the situation, and developing operational plans.
- **Logistics Section Chief** – Manages resources, supplies, and personnel.
- **Finance Section Chief** – Oversees financial matters, including budgeting, procurement, and cost tracking during the emergency.

B. Emergency Support Functions (ESFs)

- **ESF #1: Transportation** – Ensures that transportation networks (roads, highways, airports, etc.) remain functional and safe.
 - **ESF #2: Communications** – Maintains communication systems, including emergency alerts and public communication.
 - **ESF #3: Public Works and Engineering** – Coordinates infrastructure repairs, debris removal, and utilities restoration.
 - **ESF #4: Firefighting** – Leads fire suppression and prevention efforts.
 - **ESF #5: Emergency Management** – Coordinates response and recovery efforts at the local level.
 - **ESF #6: Mass Care, Housing, and Human Services** – Provides shelters, food, and essential services for displaced individuals.
 - **ESF #7: Logistics Support** – Coordinates the procurement, distribution, and management of supplies and equipment.
 - **ESF #8: Public Health and Medical Services** – Manages healthcare services, medical treatment, and public health safety.
 - **ESF #9: Search and Rescue** – Coordinates search and rescue operations for victims.
 - **ESF #10: Hazardous Materials** – Responds to hazardous materials incidents, including containment, removal, and decontamination.
-

VI. Emergency Operations Center (EOC)

The EOC is the central command post for coordinating all emergency response activities in Tontitown. It is located at Tontitown Fire Department Station 1 or other designated facility. The EOC will be activated when an emergency exceeds local response capabilities.

Key Functions of the EOC:

- Coordination of resources, personnel, and support.
- Facilitation of information flow between local, state, and federal agencies.
- Tracking incident status and resource needs.
- Public information dissemination.

EOC Staff:

- EOC Manager
- Operations Chief
- Logistics Chief
- Planning Chief
- Communications Officer
- Documentation Staff

VII. Communication Plan

Effective communication is vital during any emergency. The City of Tontitown will use multiple platforms to share information with the public, including:

- **Social media:** Official City of Tontitown Facebook, Twitter, and Instagram accounts.
- **Emergency Alert System (EAS):** Automated messages sent through local TV and radio stations.
- **Text Alerts:** Residents will have the option to sign up for emergency text alerts.
- **Local News Media:** Coordination with local radio, TV stations, and newspapers to ensure accurate and timely dissemination of information.
- **City Website:** Regular updates posted on the official city website (www.tontitown.gov).

VIII. Resources and Mutual Aid

The City of Tontitown will establish mutual aid agreements with neighboring cities, counties, and the state of Arkansas for resource-sharing, including personnel, equipment, and materials during large-scale emergencies. Additionally, Tontitown will maintain an inventory of essential emergency supplies and equipment, including:

- Medical supplies
 - Food and water
 - Shelter materials
 - Emergency vehicles (ambulances, fire trucks)
 - Communications equipment (radios, satellite phones)
-

IX. Evacuation Plan

Evacuations may be required in situations such as severe weather, flooding, or hazardous materials incidents. The evacuation plan outlines procedures for safe evacuation, including:

1. **Evacuation Routes:** Pre-identified and mapped evacuation routes will be shared with the public.
 2. **Shelters:** Locations of emergency shelters will be provided, and transportation options for evacuees will be arranged.
 3. **Special Needs:** Provisions will be made for residents with disabilities, medical needs, and other vulnerable populations.
 4. **Transportation Assistance:** The city will coordinate with local transit agencies to provide transportation for evacuees who need it.
-

X. Training and Exercises

To ensure that all personnel are well-prepared, the city will conduct regular training and exercises, including:

- **Tabletop Exercises:** Scenario-based discussions to practice decision-making.
 - **Full-Scale Drills:** Realistic emergency simulations to test operational readiness.
 - **Community Awareness Programs:** Workshops and outreach initiatives to educate the public on emergency preparedness.
-

XI. Recovery and Continuity of Operations

Once the emergency is under control, the focus will shift to recovery. This includes:

- **Damage Assessment:** Conducting assessments of damaged infrastructure and properties.
- **Restoration of Services:** Working to restore critical services such as water, electricity, and medical care.
- **Financial Assistance:** Coordinating disaster relief funds and resources from state and federal sources.

- **Post-incident Analysis:** Conducting a debrief to assess the response, identify gaps, and improve plans.
