**Subject:** Legal Representation

Council,

I want to let you know that I am stepping aside from being legal counsel for the City of Tontitown. I told the Mayor last week that I would be sending an email to you all this weekend, but I came down with a cold and the email did not go out. I apologize if you heard of this through a rumor rather than from me.

I am going to continue through the end of October. For the first week of November, my wife and I will be out of the country on an anniversary trip. I have told the Mayor and others that with the exception of when I am out of the country, I will remain available for any help that I can provide.

I will not be at the COW meeting tomorrow night because I have a school board obligation, but I will be at the October regular meeting. I have enjoyed getting to work with and know each of you and I believe that you all have accomplished a lot over the years.

Please reach out to if you have any questions or concerns.

Thank you,

Justin
