Office: 479-846-4333 Cell: 479-445-0453

EMAIL: Prairiegrovetreeservice@gmail.com

City of Tontitown Arkansas

Job address is between 1916 // 1950 // 2049 S South Barrington Road.

Contact: Scott Ardemagni Phone number: 479-301-6058

E-mail: steet@tontitownar.gov

Prairie Grove tree service will remove all trees marked with orange paint. Down to the height of approximately 2 feet for later excavation by street department.

There are (42) trees of varying diameters, along the east side of South Barrington Road; on opposite side of 1916 S Barrington Road.

There is one other tree approximately 32 inches in diameter, located at the South end of work area that will also be removed. Stump will be cut on the single tree as close to ground, as reasonably possible.

Falling of all trees will be safely controlled along South Barrington Road. In coordination with the four mentioned three addresses above. Prairie Grove tree service will be responsible for removal of the brush we cut.

Prairie Grove tree service will be responsible for maintaining traffic during work.

Prairie Grove tree service we'll supply all signs, cones, banners necessary for traffic control.

There will be no brush, firewood, etc. left anywhere on site. Prairie Grove tree service will make sure that there is access to all driveways and mailboxes. We will also make sure the road is open for two lane traffic outside of working hours. We understand that working hours are 8:00 AM to 4:30 PM.

Prairie Grove tree service will minimize ground disturbance, and we'll call Arkansas 811 at least two days prior to starting work. We will sweep the roadway, clean any mud chips and debris at the end of each workday. Upon completion area will be clean and ready for city to do stump removal and grading. Prairie Grove tree service understands that they will be responsible for any damage to pavement, road shoulders, ditches, culverts, driveways, mailboxes, fences, signs, utility poles, guide wires, etc. Prairie Grove tree service will provide proof of insurance.

We understand nothing is to be done extra or discounted without approval. No work is to begin until we have a work order. Prairie Grove tree service can begin work on or before September 1st. Starting date will be determined on when the contract is awarded, and one call has cleared the area. That is the only way we would be delayed after September 1st.

Total \$16,560.00

Please let us know your decision as soon as possible so I can schedule you to start on September 7th, 2026. Start date will also depend on One Call. It will take at most 4 days to complete. Jake Tompkins will be the supervisor on this project.

Thank you
